Justice Committee - Living Justice

Catholic Social Teaching in Action by Thomas Massaro, SJ ISBN 978-1-58051-046-2
As one of its goals the Justice Committee has tried to search out a way to understand what the Church says about social justice and how to practice social justice. There are many encyclicals written on the subject of social justice and the book, "Living Justice", gives an exceptional overview as it leads the reader through the Church's historical and present day stand concerning social justice issues. The committee would like to invite anyone interested in social justice and the church to read this book. An open invitation is extended to anyone interested in the committee to join us at one of our meetings. Next meeting is 3rd May, 2017 at 6:30 p.m. in the church complex.

Mikkie's Corner - Health & Nutrition

Don't Diet eat well! Fasting during the Lenten season, it is different than dieting. The word "Diet" is mostly attributed to silly and dangerous food practices. Instead have a foodplan, eat balanced, eat whole foods and include all your macronutrients at each meal. (carbohydrates, protein, fats & fiber) boost your metabolism by eating every 2-3 hours never longer than 4. Keep carbs and proteins equal with a small amount of good fats. Don't wait all day to eat at night - unless you are training to be a Sumo wrestler.
