| R. <i>O God, let all the nations praise you</i> | | |
| Thur | Acts 13.13-25 | John 13.16-20 |
| <i>Of David's posterity God has brought to Israel a Saviour, Jesus, as he promised.</i> | | <i>Whoever receives one whom I send, receives me.</i> |
| Psalm: Ps 89.2-3, 21-22, 25+27 (R.2a) | | |
| R. <i>For ever I will sing the goodness of the Lord.</i> | | |

JUSTICE REFLECTION: Sirach 4:1-5

My child, do not cheat the poor of their living, and do not keep needy eyes waiting.

Do not grieve the hungry, or anger one in need.

Do not add to the trouble of the desperate, or delay giving to the needy.

Do not reject a supplicant in distress or turn your face away from the poor.

Do not averts your eye from the needy.

(NSRV)

A TRUE TEST OF FAITH: SILENCE -

Check out this movie on Shaw on demand or with smart TV. *Based on the 1966 novel of the same name by Shūsaku Endō.*

At a time when Christianity has been outlawed in Japan and those who follow the faith have gone into hiding or have been killed, two young Christian missionaries travel to Japan in the 1600s to search for their missing mentor, Father Cristóvão Ferreira (Liam Neeson). In an attempt to ferret the Japanese Christian population out, officials force those who are suspected of being Christians to stomp on a carved image of Christ. Those who refuse are killed by slowly being bled while hanging upside down over a pit.

Mikkie's Corner - Health & Nutrition

Canada Health Day - May 12. This day is celebrated across Canada in health care facilities and community services across the country. It reminds us that health and healing are essential aspects of our baptismal vocation, as we are called to take responsibility for our personal health: to prevent, emotional, social and spiritual health, respecting God's creatures and nurturing of the whole earth.

Follow these tips to help you.

- Exercise a minimum of 30 minutes a day 5 days/week (get a bit of a sweat going, as calories need to be burned, you need that thermogenic effect).

- Eat balanced (For general health (equal amount about a hand size protein and complex carbohydrate and small amount of 'good' fat (1 tbsp of olive oil, 1/2 avocado...))

Snacks have fibrous foods as vegetables with either a 1/4 cup of humus or nuts/seeds.

Keep fruits to after a workout where the body can metabolize the higher sugars at that time or use a small amount in the morning like a 1/2 cup berries with a protein as yogurt or cottage cheese. - See previous 'corners' to help you.
