### **Mikkie's Corner - Health & Nutrition**

Did you know that LOVE is also the key to longevity, it has been proven to lower cholesterol, stress and risk of heart attack, to name a few. Who better to feel, share and express this love with, than for MOTHER'S on this special day, for all they selflessly do.

For those whose mothers and grandmothers are still alive - cherish them today. Hug and kiss them. Honor them. Thank them. For those whose mothers have gone home to the Lord, remember them. For all who bear the name Christian, the name of our eternal family, let us also honor the Mother of the Lord today. Her maternal care for Jesus still embraces all those who are joined to Him, as members of His Body, by that great new birth of Baptism.
