BIBLE STUDY!! - Bring your bibles

Monday's 7-8:30PM, Friendship Rm, w/**DEACON EDDIE!**

Oct. 30 Ananias & Sapphira - death by lying. We have all done it and paid the price! Sometimes we justify our lies because the intention was good but did it only for the benefits it had for us or to spite someone else. Sometimes we are too scared to tell the truth because of the outcome. But we all know it comes back to bite us. Come listen about Ananias & Sapphira on how they lied to benefit themselves & the outcome it had for them. Learn how we can be more God like in our intentions and reap the benefits He has waiting for us.

Aging well... Depression & Memory loss, ways to help yourself!

Depression: Like last week move! Exercise creates endorphins that make us feel good and block pain. Join a club, be part of something, interact with people, have a purpose. All these things have been very successful in the battle of depression.
Boost memory: Take Ginko biloba, this has a naturally occurring nutrient found in fish, leafy green veggies, soy & rice; & Huperzine A, a botanical extract that appears to increase availability of an acetylcholine, an important neurotransmitter that carries signals across a nerve synapse to other cells. *Cont....*
