NEW ENVELOPES

Thank you again for those who have put their names on their envelopes. Once again, if everyone could put their names on for another couple weeks or if any changes to address, phone or email, just to make sure the computer system matches and is updated for the new year, would be appreciated. This double check is important as the numbers change year to year due to new parishioners or ones that are no longer here, the system resets in alphabetic order so you could have a number higher or lower than the previous year.

MIKKIE'S CORNER - Health & Nutrition

Have you had your hug today?

January can be a very down, depressing month for many. I have wrote about the love vitamin before and it has a very important role in our well being and overall view of the world

A hug is a very powerful tool. It has been shown to decrease blood pressure, loneliness, depression, anxiety and stress. Hugs will boost oxytocin levels which helps heal feelings of loneliness, isolation and anger.

So hug the person you love today or someone you know could use it. Help together to keep the world a healthy and happy planet.

Mikkie Nettles, CHN/PT (Certified Holistic Nutritionist/Personal Trainer)
