MIKKIE'S CORNER - Health & Nutrition

Holding grudges causes stress and hormonal disaster!

Did you know your emotions can play a huge role in your well being. A rise in cortisol levels, adrenal fatigue, anxiety, high blood pressure, tension, weight gain or loss....and just not a very happy life. These problems can easily be alleviated through a good diet and exercise but also through our spiritual lives with prayer and forgiveness.

If you hold grudges, think that everyone else is wrong, it's always someone else's fault, point out everyone else's mistakes...then think again, dig deep we all have done something wrong at some point, don't police, assume or judge. If you don't let go, forgive or move on, then you will be plagued with these issues which can lead to some very serious health conditions. Read below and maybe it will change your mind set. Thank you Sandi Seymour for finding this!

Who am I to judge?

*I was shocked, confused,
bewildered as I entered Heaven's door,
Not by the beauty of it all, nor the lights,
not its decor.*

*But it was the folks in Heaven who made
me sputter and gasp...
The thieves, the liars, the sinners, the
alcoholics.*

*There stood the kid from 7th grade who
swiped my lunch money twice.*

*Next to him was my old neighbor who
never said anything nice.
Joe, who I always thought was
rotting away in hell, was sitting pretty on
Cloud 9, looking remarkably well.*

*I nudged Jesus, "Hey, what's the deal?
I'd like to hear Your take,*

*How did all these sinners get up here? It
must be some mistake.*

*And why is everyone so quiet, so somber,
please give me a clue."*

*"Hush hush, child," He said, "They're all
in shock. No one thought they'd be seeing
you."*

Grief to Grace is a 4-5 day psychological and spiritual journey providing safety and support for anyone who has suffered degradation or violation through physical, emotional, or sexual abuse or neglect. It is appropriate for those who have endured rape, incest, or other forms or traumatic violation in childhood, adolescences, or as an adult. It is also suitable for those who have suffered abuse by a member of the clergy. This model of care provides therapy for the soul. The program is designed to help you experience the love and support of the suffering body of Christ as you journey through the Pascal mystery of your own life. This effective healing process combines Living Scripture with journaling, group activity and discussion, therapeutic facilitation, cognitive restructuring and grief work. It is a pilgrimage to discover the love, tenderness, belonging, safety, joy and peace that are often missing from the stories of abuse victims. Our next program will be held on April 19-22, 2018, at Seton House of Prayer. To register or FMI: Phone: 250-878-7603 email: g2gkelowna@shaw.ca Website: www.GriefftoGrace.org
