Movie: The Voice of John: one small voice will speak for millions www.voiceofjohn.org Join other Christians

to learn more about valuing life in Western culture. **Friday, Mar 22, at Sacred Heart Cathedral - Two showings: 10:30am & 7pm:** From the 1970s to the present, issues for life have gone far beyond threatening the unborn. Come learn the real truth in this documentary (103 minutes) that provides a forensic view into the issues from the perspective of those who know it best. Doctors, nurses, clergy and politicians are both responsible for the current abortion and euthanasia culture as well as those opposed to it. Dedicated to an aborted baby, born alive and left in a hospital utility room, "John" was baptized as he died in the arms of the nurse who found him. The documentary grew from her promise to "to be your voice" and "to tell the world what I saw today." FMI: Kathy at 250-318-9696 or kathysdahlhouse@gmail.com
