### **MIKKIE'S CORNER - Health & Nutrition**

Wacky diets - Last week I talked about how your body has a backup system but only for so long once a macronutrient has been eliminated from our diets. Let's start with the elimination of fats and its effects on the gallbladder. We have come to believe the gallbladder is a useless organ that we don't really need and can live without it. Everything we have in our body has a purpose, even if we can live without it. First of all there is a very important connection with the gallbladder and hormonal balance, especially with women. Your gallbladders job is to squeeze bile out into your small intestine to be processed. Bile contains mostly water, then cholesterol, bile salts and hormones. Cholesterol and hormones as estrogen and its harmful metabolites are important to be squeezed out and processed. The gallbladder needs to do its job by getting a steady and healthy amount of fats. When this doesn't happen you get to start your no fat diet journey with sluggishness or immense pain as bile begins to sit around for a long time getting very concentrated with the cholesterol that forms into gallstones. When it comes to the point of removal you get to endure such things as weight gain, estrogen dominance and low thyroid function...just to mention a few. As you can see the body's response isn't very pleasant as it tries to adjust for this organs very important job.

### **For the Love of God: Wellspring of our Existence for 175**

**Years:** We, the Franciscan Sisters of the Immaculate Conception of the Holy Mother of God (SFIC) with joyous hearts and a unified sense of gratitude and of celebration for the blessings received during the 175 years since the

founding of our Congregation would like to invite you to join us in celebration on June 24 at the Sacred Heart Cathedral with Mass at 5:30 pm followed by a Pot Luck Dinner. Because you have shared in our lives by your friendship and love we request that you join us in this anniversary celebration of our congregation. "For the love of God" will move us forward in simplicity, submission, love and penance in our participation in the mission of Christ, in our passion to heed the cry of the poor and in care for our common home, in our respective lands. "For the love of God" will empower us with a humble courage to a life of prophetic witness by the testimony of our lives that God is the Beginning and End of all love. As streams of living water, Love will flow on.

Easter Monday - April 22, 2019

**Mourning the tragedy of our brothers and sisters in Sri Lanka:**

Dear People of the Kamloops Diocese,

While we were celebrating the Resurrection of our Lord on Easter Sunday, April 21, several Catholic communities in Sri Lanka were attacked. Hundreds of our innocent brothers and sisters were brutally killed and injured.

This act of unspeakable violence during Sunday worship is terrible and a great concern to the Christian Community and society as a whole. At this difficult time of both mourning and distress, our hearts and prayers go to our brothers and sisters in Sri Lanka.

May our sorrowful Mother, who stood at the cross of her Son, comfort those who have lost their loved ones and those who have been injured. May our Risen Christ extinguish the fire of hate and division in our world.

Yours Sincerely in Christ,

*+ Joseph Phuong Nguyen*
