## Grit & Grace Men's Retreat

Sept. 20-22 for every man searching for deeper relationships with God and a fuller understanding of what it means to live as a Son of the Father, poster in foyer.

## Weekly Environmental Tips for back to school

Number 1 tip is to not idle your car while waiting for your kids. It's still hot out but open the windows while waiting or get out of your car and stretch. Better yet if you can walk to and from school with your kids/grandkids, they get fresh air and their brains and bodies will be ready to learn for before school and let's them burn energy after school for a good night's sleep.

Tip 2 is try to stay away from zip lock baggies and provide your kids with nontoxic reusable containers and water bottles for snacks/lunch and water

## MIKKIE'S CORNER - Health & Nutrition

Will continue on Vegetarianism, but again school is here so a few tips on snacks!

1. Bake your own snacks if possible using nutrient dense ingredients as oatmeal, whole grain or spelt flours, and honey or applesauce in place of sugar. Include your children/grandchildren in baking muffins/cookies as this lets them get invested in their health as well.
2. Avoid fruit juices, pop or energy drinks and get them used to water. If you have a really fussy kid then start slowly watering down juice to get them used to it.
3. For lunch meat, cook a large quantity of chicken or beef/pork and have leftovers to cut up and put in a sandwiches. Otherwise look for naturally smoked meats
4. Use real cheese slices, not processed.
5. Look for protein dense dairy products without the high sugar. Yogurts are famous for being very high in sugar. Buy flavoured Greek yogurts and mix with plain.

6. After school snacks as nuts and veggies and dip are great - always have on hand/prepped and ready to eat.

*Mikkie Nettles, CHN/PT (Certified Holistic Nutritionist/Personal Trainer)*
