Weekly Environmental - A Quote to think about!

Odd as I am sure it will appear to some, I can think of no better form of personal involvement in the cure of the environment than that of gardening. A person who is growing a garden, if he is growing it organically, is improving a piece of the world. - **Wendell Berry**

The faithful in the Diocese of Kamloops remain dispensed from the obligation to attend Sunday Mass. As of present, some of our Diocesan priests still have online Masses that they are celebrating available through social media. Please check our website at <https://www.rcdk.org/pages/covid-19-streaming-masses>

PLEASE NOTE

Please register for Sunday mass during office hours. If you've previously registered and are unable to attend, inform the office through email or phone call so that others may get a place. Thank you for your co-operation. God Bless and stay safe.
