DIOCESAN NEWS

As of July 1, 2021 the BC Government moved forward into Phase 3 of the restart plan which includes that there are **“no capacity limits or restrictions on religious gatherings and worship services.”**

Although many restrictions are being lifted, all Parishes should continue to take precautions, such as hand sanitizing stations. Masks are not mandatory; however, they are **recommended** in public indoor settings for those who are not yet fully vaccinated.

Meetings and gatherings in church basements, etc. are considered indoor organized gathering, which are allowed “50 people or 50% capacity, whichever is greater.” Covid-19 safety protocols are to be followed.

The faithful in the Diocese of Kamloops remain dispensed from the obligation to attend Sunday Mass as of present. The dispensation will gradually be lifted over the summer months, and be completely lifted when the province moves into Phase 4 of the restart plan.

Please check our website for available online masses:

ST JOHN VIANNEY NEWS

Registration is no longer required to attend mass at St John Vianney.

For those uncomfortable with attending a filled mass on Sundays, an **additional mass** will be offered each week on **Saturdays at 4 pm in the chapel.**

Holy Communion will still be offered in the parking lot after participation in a streamed mass of your choosing on Sundays between 11:15 – 11:30 am.

Our parish is **now accepting Interac email transfer** donations! To give using this method, please transfer your donation (note any special dates) to givingstjohnvianney@rcdk.org using your bank’s Interac transfer via online banking.

The month of July is dedicated to **the Precious Blood.**

The Holy Father’s Intentions for the Month of July 2021 “Social Friendship”

“We pray that, in social, economic and political situations of conflict, we may be courageous and passionate architects of dialogue and friendship.”

SPIRITUAL LIFE

Words from our secondary patron, St. John Vianney:

“Love is the distinctive mark of those who belong to God, as the mark of those who reject him is hatred.”

MIKKIE'S HEALTH CORNER

Cooking Methods and Nutrients in Foods

... continued from last week

Vitamin C - In addition to the citric fruits mentioned, broccoli, Brussels sprouts, and spinach are all great sources of Vitamin C but how you cook them matters to whether the Vitamin C is retained. Boiling is one of the most popular ways to prepare these veggies but unfortunately not great for retaining vitamin C content. Because vitamin C is water-soluble, it seeps out of the vegetables and into the water and down the drain. It can reduce the vitamin C content of vegetables by more than 50 percent!

Vitamin C is also heat sensitive so heating for too long will do same thing. To optimize vitamin C intake, think low heat cooking as, sautéing, microwaving, or, better yet, eat them raw. *to be continued next week...*
